

# Township of Parsippany-Troy Hills

## Starting January 2012

### Single Stream Recycling is here!

This means that, from now on, you can put all of these materials together into the same recycling bin(s):

Aluminum Cans	Junk Mail	Chipboard
Newspapers	Steel (Tin) cans	Plastic Containers
Glass Bottles	Magazines	Cardboard Boxes*

\*If corrugated cardboard boxes are too big to fit in bin(s), flatten, fold and stack them into one cardboard box and place box next to bin(s). Excess cardboard will be picked up on your districts recycling day.

### New Items to Recycle!

These items are now acceptable in the recyclable program:

- Clean aluminum pie plates, trays and foil
- Plastic containers (bottles and non bottles with the following symbols on the bottom:

- Boxes/cartons which contained liquid and frozen food, such as soup boxed, drink boxes and milk/juice cartons
- Cardboard packaging for 6- or 12-packs of soda or beer
